

Oldies But Goodies

The Levy Center December 2016 – January 2017

A WORD FROM THE SUPERVISOR...William M. Mayer

Hello Friends,

Growing up, Christmas was a big deal because of Santa Claus, not because of Black Friday; he was Black Friday without the pushing and shoving. One Christmas I was determined to see Santa Claus myself so I propped myself in the hallway of our house to watch and wait. But the little guy in me couldn't make it, and when I awoke, much to my disappointment and delight, Santa had been there and left. But to this day I can still remember the gifts he left behind.

It's funny that the holidays have the same blend of disappointment and delight for many of us. The holidays are a time when most of us reflect on the year just past and the years previously that laid the foundation for our life. It is easiest to list the things that went wrong, but Thanksgiving reminds us to also reflect on what went right.

I am grateful to all the staff at DuPage Township who made such sacrifices to keep us going. With increased caseloads and additional job responsibilities, this team had our seniors at heart all the way. I am grateful for all the seniors who believed in us and supported during the past year. I am also grateful for having a Board of Directors who have vision and were willing to roll up their sleeves and in addition to their day job helped us with their time and money.

All of this and more make our Senior Services here at DuPage Township stronger than ever despite the challenges.

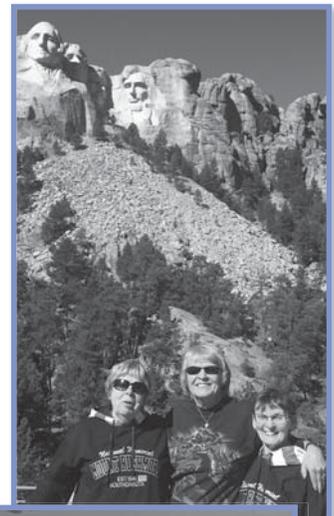

During these holidays, I hope you take the time to realize all that you have and not focus on what you don't have as they are both a part of the whole.

I hope you all had a great Thanksgiving and wish you great health, wealth and much happiness in the coming year!

Happy Holidays from my house to yours,

YOUR Supervisor,

Bill Mayer

NOTES FROM THE ASSESSOR

There is nothing more magical than decorated trees, lights, presents, family and friends to brighten up your life. This is the time of year to take a step back from the stresses of life and enjoy the little things. I hope that Christmas will be a cheerful ending to the year for you and your family!

The final 2016 assessments are in place for your next tax bill. Your assessment was calculated during March of 2016 and will be used on the tax bill you receive in May of 2017.

Starting January 1st, we will be working on the assessments for 2017. If you have any questions about your assessment, you can come in to our office anytime before August and we will be happy to discuss it!

As the New Year rolls around, consider these things. If you or your spouse is turning 65 in 2017 you can come in anytime in 2017 to fill out the senior exemption form! You don't need to wait until after your birthday.

The senior freeze forms will be available at the end of March. We cannot start filling out the freeze forms until April so be sure to save your income tax information as you get it.

If you or someone you know has a service connected disability, they may qualify for the Veteran's Disability Exemption. They can stop in our office for more information.

TRIVIA QUESTION: What was the year in which Bolingbrook High School opened?

Stop in the Assessor's office with your answers!!

There will be a random drawing in December & January from the entries we receive, so you'll have 2 chances to win if you get it in early! Good Luck!

HOLIDAY LIGHTS TOUR

DECEMBER 21 3:00 PM \$40 PER PERSON LIMIT 40

A beloved holiday tradition is coming to Naperville. The Christkindlmarket will offer people who live in the western suburbs a chance to experience a traditional German holiday market without having to travel into the city, although the Chicago market will still be held this holiday season.

Traditional wooden huts will be filled with one-of-a-kind gifts including woodcarvings and German delicacies reminiscent of the original Christkindlesmarkt in Nuremburg, Germany, which began in 1545. It will transform the village square at Naper Settlement into a picturesque marketplace. Visitors will experience the traditional wooden huts with candy cane-striped canopies filled with goodies sold by some new and some popular vendors who are seen at the Chicago market on Daley Plaza.

After visiting here, we will move on to have dinner at a nearby restaurant called "Traverso's." Just to give you a little history on this establishment, in the fall of 1927, a 15 year old girl journeyed with her parents from the mountain village of Cesuna in Northern Italy to America. Lena Traverso knew no English, but her cooking sure could talk, as she had spent countless hours being raised in the kitchen of their small family hotel. The family settled on the South Side of Chicago and Lena eventually used her talents working in several local restaurants.

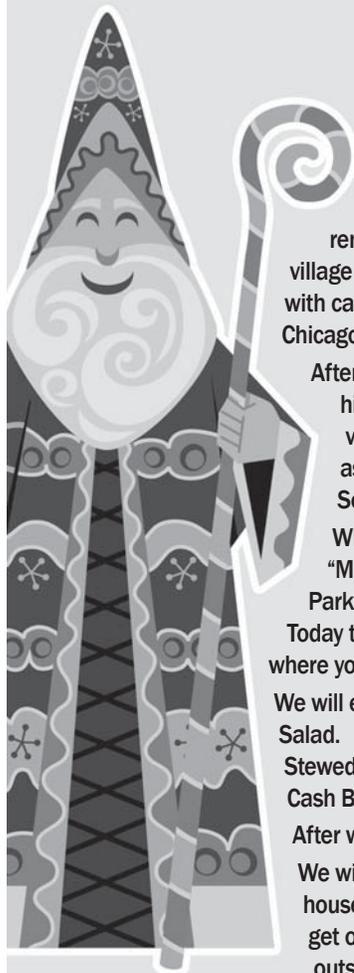

When her sons opened their own restaurants in the Pullman and Mount Greenwood neighborhoods in 1962, "Mama T" came on board, bringing along her cooking talents and old-world recipes. Traverso's opened in Orland Park, IL in 1974, and has been preserving the cooking of their native Cesuna in warm and friendly surroundings.

Today they are happy to welcome you to the newest Traverso's. It has long been their feeling that there are two places where you can dine in a relaxed and comfortable atmosphere – your home and theirs.

We will enjoy a family-style meal beginning with Soup, followed by your choice of a Caesar or Mixed Field Greens Salad. Mostaccioli, Italian Roasted Chicken, Roast Beef and Sausage and Peppers are included for the entrée, with Stewed Green Beans and Hard Crust Italian Dinner Bread for the sides. Of course, Coffee and Hot Tea are included. Cash Bar available.

After we are finished with Dinner, we will move on to the next event on this evenings itinerary.

We will meet the Naperville Trolley back at the Market to go on a sightseeing tour of the most beautifully decorated houses. What a fun and unique way to tour the City of Naperville! We will surely have a delightful time on this trip and get ourselves into the final stages of the Christmas Spirit!! Dress warm for this one.....who knows how cold it will be outside.
