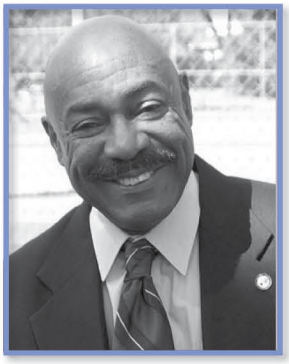
Oldies But Goodies

The Levy Center October 2019 - November 2019

A WORD FROM THE SUPERVISOR...Felix George



Hello Seniors,

Happy Fall!

I sure hope you all enjoyed your summer and you are enjoying this beautiful Fall weather. It was so nice to see everyone at the Senior picnic the staff did a great job with the games and the food. Also, thank you to all who came out for the Luau this year. Elvis is surely entertaining. Once again, our Olympians did not disappoint us on all the medals they WON!

I know that a lot of you will be traveling to Tuscany, Italy in November, I want you to be safe and I hope you all have a GREAT time. I sure wish I was going with, but I look forward to hearing all about your adventure.

I am excited to announce some new programs such as Lunch and Learn. We will start with:

Estate Planning 101

Transition, Downsizing, Redefined and Managing the Move!

Home Health/Home Safety

Smashing Mood Swings!

This is just some of the topics we are exploring per your request but any suggestion for new programs or activities are always welcome!

We are also hosting a "Health & Wellness Fair" day on October 28th that you will be able to take advantage of different kinds of screening to keep you healthy all season long.

Enjoy the rest of fall weather because we know comes next.

Until next time!

NOTES FROM THE ASSESSOR

Hope you are enjoying the change of seasons! Stop into my office with your newsletter and I'll give you a free mini pumpkin! While supplies last....

So far this year we have helped over 1,300 residents fill out their Senior, Senior freeze, Disability and Veterans exemptions at our counter in the Assessor's office! It is always nice to see everyone.

It's getting towards the end of the year. If you have any exemptions you qualify for and need to submit the paperwork, you can still do that.

In 2019, our information shows that home sales prices are continuing to go up. That's good news for homeowners!

Another service we provide in the Assessor's office is Free Notary. So, if you ever need something notarized, please stop by our office!

Assessor Office hours: 9AM to 4PM Monday – Friday.

NOTE: To All SENIORS and CAREGIVERS:
We are a SENIOR WELLNESS center

What that means, really, is we are NOT a drop off adult day care center. Our seniors are active, motivated and driven to exercise, plan activities, volunteer, deliver meals, help prepare meals for shut-ins. Line dance, Zumba Dance, share recipes, crochet, make ceramics, bowl and sometimes go to the basketball courts. If this is not you or your parent, we will help you find a place which is very suited for yourself.

THE 2020 CENSUS APRIL 1, 2020

WHY DO WE TAKE THE CENSUS?

The U.S. Constitution (Article I, Section 2) mandates a headcount every 10 years of everyone residing in the 50 states, Puerto Rico, and the Island Areas of the United States. This includes people of all ages, races, ethnic groups, citizens, and noncitizens. The first census was conducted in 1790 and one has been conducted every 10 years since then.

The population totals from the census determine the number of seats each state has in the House of Representatives. States also use the totals to redraw their legislative and school districts. The next census occurs in 2020.

The U.S. Census Bureau must submit state population totals to the President of the United States by December 31, 2020.

The population totals also affect funding in your community, and data collected in the census help decision makers know how your community is changing. Approximately $675 billion in federal funding is distributed to communities each year.

Will the 2020 Census be the same as 2010?

There are some important changes in 2020:

- We are building a more accurate address list and automating our field operations—all while keeping your information confidential and safe.
- For the first time, you will be able to respond online, by phone, or by mail.
- We will use data that the public has already provided to cut down on in-person follow up visits to nonresponding households.

DINNER AND A MOVIE

WHEN: OCTOBER 8TH TIME: 5:30 FEE: $7 LIMIT: 100

That is correct! I am bringing back this popular now that our projector is up and running! So, I will begin this month with a Meatloaf and Mashed Potatoes with mushroom gravy kind of night. Preceded by a salad and a dinner roll, paired up with a veggie and a delectable sweet treat! Always a great way to settle into the Fall.

Our movie selection this month is titled "The Upside." Starring Kevin Hart, Bryan Cranston and Nicole Kidman. A comedic look at the relationship between a wealthy man with quadriplegia and an unemployed man with a criminal record who's hired to help him. Philip is a disabled white billionaire, who feels that life is not worth living. To help him in his day to day routine, he hires Del, an African American parolee, trying to reconnect with his estranged wife. What begins as a professional relationship develops into a friendship as Del shows his grouchy charge that life is worth living. *VERY FUNNY MOVIE!* DON'T MISS IT! SIGN UP TODAY!

OPERATION FAMILY SECRETS MOB TOUR

WHERE: CHICAGO WHEN: OCTOBER 10TH TIME: 10:00 FEE: $35 LIMIT: 37

We'll begin this excursion with a stop for lunch at a one-of-a-kind historic Chicago restaurant, with lunch on your own. In 1872, immediately following the Great Chicago Fire of 1871, James McCole built this two-story balloon frame wooden structure with a detached cottage in the rear. Engineer McCole rented the front of the building to Mr. Lawrence P. Ek who ran it as a grocery store with living quarters in the rear cottage.

Following the fire, Chicago passed a fire code ordinance prohibiting construction of wooden commercial buildings in the Central Business District. 678 North Orleans is one of the few remaining frame structures built prior to this fire ordinance.

The Racking (leaning) of the building occurred shortly after the building settled and has been that way for over 100 years. In 1921, Vito Giacomo opened the restaurant on the 1st floor and many of the bar fixtures installed in the 20's still exists in the present bar & restaurant.

Over the years, the restaurant was sold and renamed the Green Door Tavern — if the door of a restaurant was painted green during prohibition, it indicated the presence of a speakeasy in that establishment.

Today, the Green Door remains true to its historic Chicago roots.

TODAY...

From its earliest days, The Green Door Tavern has been a neighborhood favorite. It's warm wooden interiors, decorative backsplash of memorabilia from days long past, and down-to-earth staff have kept its many loyal customers happy through Chicago's bitter winters to its hot, summer nights.

Over the years the menu has changed, but the theme has remained the same – "eat, drink, be merry" ...and occasionally cheer for Chicago's winning sports stars – the Bears, Bulls, Hawks, Sox and Cubs.

The Green Door staff is committed to making every visit memorable and to satisfy every hungry mouth that wanders in off Orleans Street. We hope you'll agree that our pub is your home away from home – be it out of state, out of country, or just down the street. (cost is approx. $10-$$18)

Next, our tour of the "Operation Family Secrets" is a firsthand account of life in the Mob, stories, killings and a turncoat victory that will astonish you. Take a ride along with Frank Calabrese Jr. as he personally recounts his days and nights working as a soldier in his father's Chinatown crew. Frank Jr. has lived and experienced a life that most of us have only witnessed on the big screen.

Be a part of history and hear for yourself the shocking and completely unfiltered truth.

Frank Jr. takes you to the actual crime scenes he experienced firsthand while working as a member of his father's Chinatown crew.

Frank takes you back in time to Chicago's little Italy areas of Grand & Ogden and the famous Taylor St. area along with lessor known but no less infamous Chinatown. The Chicago mob lived, worked and played, in these areas and in many cases still does.

Take memorable pictures of historical mafia landmarks and see firsthand where actual mob hits took place along with the backdrop that spawned the ideas for many popular culture icons and movies such as Casino, Thief & The Untouchables. During the tour Frank will be taking you to Chicago's infamous Rush & State St. area, River North, Old Town, Chinatown, Printers Row, Chicago's Theater District, Holy Name Cathedral, Chicago Picasso, Marina Towers, City Hall, The Dirksen Federal Courts Building, Metropolitan Correctional Center (MCC)- Chicago , and Second City area. Frank Jr. will teach you what is was like to think, look, and act like a mobster and how to blend in with the mean streets of Chicago.

When done with the tour you will have experienced the true meaning of the phrase THE CHICAGO WAY!

LUNCH BUNCH

WHERE: OLIVE GARDEN WHEN: NOVEMBER 7TH TIME: 11:30 FEE: $1 LIMIT: 40

At Olive Garden, they use the term "Hospitaliano" to describe their passion for delighting guests. More than just serving great food, they want each guest to experience Italian hospitality at its finest, striving to make each guest feel like part of their family. That's the inspiration behind the slogan "We're all family here." Keeping with modern-day Italian traditions, they're expanding their menu to provide more choices, variety and better-for-you options. Their food is prepared with fresh ingredients presented simply with a focus on flavor and quality that is uniquely Italian.

They also believe that life is better together, and they know everyone is happiest when they're with family. Whether that's family by relation or by choice; traditional, blended or extended; neighbors, coworkers or teams; friends, groups or just "the gang." They love everyone like family. And, at Olive Garden this approach extends beyond their favorite dishes, promoting togetherness in everything they do.

The end result is a dining experience that's casual, yet stylish, creating an atmosphere of openness, spontaneity and generosity!

MCWETHYS PUB

WHERE: ROMEOVILLE WHEN: NOVEMBER 14TH TIME: 11:30 FEE: $2 LIMIT: 40

The McWethy family migrated to the United States in the early 1600's when Robert Macwithy Macrory moved from the Outer Hebrides of Scotland to Washington Country, New York. It took several generations for the name to evolve to McWethy. A McWethy presence in northern Illinois began with the arrival of Henry Lyman McWethy from Pavilion, New York. He travelled to the Fox River Valley, probably by horseback, with his two brothers after the Civil War in 1869 and established McWethy Brothers Insurance in Aurora at 34 South River Street, across from where Aurora landmark Old Second National Bank stands today. His son, Frank McWethy (the grandfather of Jim McWethy), was one of the founders of Aurora Country Club, and an excellent golfer. Jim McWethy followed in his father's and grandfather's footsteps as a skilled businessman, public servant and golfer. Inspired by his Scottish heritage, Jim, along with a very dedicated and talented team, developed Mistwood Golf Club into one of the finest links-style courses in the country. In further tribute to his roots, he also created McWethy's Tavern and the Great Hall at Mistwood.

Snacks, sides, soups, salads, entrees and specialties are amongst the wide variety of selections. Come and check this exquisite establishment out. YOU WON'T BE SORRY!!
