INTRODUCTIONS: No new members

OLD BUSINESS: Discussion of new policies/procedures, input from the seniors

Senior Survey – Kathy looked up senior survey and brought some ideas on it.

Copies were passed out to all 9 members. Kathy will pick out the top 15 questions and bring it to the next meeting.

Items discussed: To up the fee for non-residents from \$12.00 to \$50.00. This would include all trips that they can go on without any more up-charges for non residents. Luraine was very happy to see that the board will finally decide if this is a good change. She has been talking about this for a few years.

Regarding the survey: Kathy will pick out the top 15 questions and bring them to the next meeting for us to discuss. Also, if a member does not attend 1 event in the year, they will no longer be a member. If they want to become a member again, they would have to pay again and then join in on the events.

It was discussed that residents of Romeoville and Bolingbrook can ask for a ride to and from the Tuesday senior meetings, using the small buses. Discussion about getting another bus driver for the Levy center to accommodate these rides and such.

NEW BUSINESS: We decided to pass the survey out at the next Bolingbrook Senior club meeting and the next Romeoville Senior Golden Agers Club meeting. We will give them a week to fill it out and bring it back the next week or bring to the Levy Center when they are through with filling it out.

Talked about Lynn going to the Romeoville Golden Agers club meeting at least once a month to bring flyers and other information for up-coming trips and important info to share.

Chris mentioned that she and Nancy joined the Bolingbrook Senior club so they could get the dates and events to share with the Romeoville Senior Golden Agers because Romeoville doesn't get the newsletter until later than Bolingbrook and sometimes the trips are already filled.

Felix mentioned he was happy to be part of the group to give his support and possible ideas.

Next meeting will be June 4th @ 6pm.

Chris B motioned to adjourn the meeting and Ocie seconded, all ayes, none opposed. The motion passed.
