INTRODUCTIONS: No new members

OLD BUSINESS: Discussion of new policies/procedures, input from the seniors

Senior Survey- Kathy brought the survey she typed up and passed it out to all. We all read them and talked about them. Maripat read each one and we commented. Speakers were talked about being repetitive. Waiting for more suggestions about what we want to hear about. Commented on bus transportation and the board has to approve it at next board meeting. Decided there was enough room on the survey to answer questions on back of paper or on last page which is left blank intentionally. Linda will take on copying the surveys and will also make box for drop off. We will give them a week to fill the survey out and return it to the drop off box.

We revisited the discussion on charging out of township fees to non-residents from \$12.00 to \$35.00 single, and \$50.00 couple. This would include all trips that they can go on without any more up-charges for non residents. Motion to change the amounts. Everyone voted and decided it was a good idea.

NEW BUSINESS: We received the newsletter on time. Kudos to them. We should have Felix write a letter and be on the front page.

Some discussion about what can be done at parties other than music and dancing. Suggestions included, Murder Mystery dinner, dance lessons to participate in, psychic, hand reading, magician, waiting for suggestions from the surveys that will be filled out.

There was discussion about having a wellness fair to include: nutrition, depression, cooking for one, vision check. These were some of the ideas for people to come and talk on. This would include Flu and Pneumonia shots but not the Shingles shot because not all insurances cover it or even part of it.

It was discussed that a cookie exchange was not a good idea.

PUBLIC COMMENTS: Felix mentioned he was happy to be part of the group to give his support and possible ideas.

Nancy thanked Linda for the recorder.

Next meeting will be July 9th @ 6pm due to the holiday on the 4th- A motion was made and passed. Rita motioned to adjourn the meeting and Jimmie seconded. All ayes, none opposed. The motion passed.
