Minutes

Meeting started 6:01 pm

Called to order: by Christine Betschel

Pledge of Allegiance: spoke by all

Roll call: everyone responded here

Approval of Agenda: Maripat motioned and Nancy 2<sup>nd</sup> – Ays by all, no opposed, motion passed

Approval of Minutes: Nancy read the minutes, corrections were made regarding members had to be absent for 5 meetings before they no longer are members. Motioned made by , 2nd by

Introductions: No new members

Old Business: Discussion of new policies/procedures, input from the seniors

Senior Survey – Kathy brought survey she typed up and passed out to all. We all read them and talked about them. Maripat read each one and we commented. Speakers were talked about being repetitive. Waiting for more suggestions about what we want to hear about. Commented on bus transportation and the board has to approve it at next board meeting. Decided there was enough room on the survey to answer questions on back of paper or on last page which is left blank intentionally. Linda will take on Copying the surveys. She will also make box for drop off. We will give them a week to fill the survey out and return to drop off box.

Items discussed: We revisited the discussion on charging out of township fees to non-residents from \$12.00 to \$35.00 single, and \$50.00 couple. This would include all trips that they can go on without any more up-charges for non residents. Motion to change the amounts. Everyone voted and decided it was a good idea.

**New Business:**

We received the newsletter on time. Kudos to them. We should have Felix write a letter and be on the front page.

Some discussion about what can be done at parties other than music and dancing. Suggestions included, Murder Mystery dinner, dance lessons to participate in, psychic, hand reading, magician, waiting for suggestions from the surveys that will be filled out.

Linda mentioned having a wellness fair. Nutrition, depression, cooking for one, vision check, were some ideas for people to come and talk on. Flu and Pneumonia shots but not the shingles shot because not all insurances cover it or even part of it. Cookie exchange was not a good idea.

Public Comments: Felix mentioned he was happy to be part of the group to give his support and possible ideas. Mentioned about a possible raffle which would keep people there longer.

Mentioned about collecting the money and separating them into piles of different amounts to give as the raffle prize. Doing the raffle at the end of the night. Everyone liked that idea.

Can't do a Vegas night because of licensing issues.

~~Mentioned about collecting the money and separating them into piles of different amounts to give as the raffle prize. Doing the raffle at the end of the night. Everyone liked that idea.~~  
Nancy thanked Linda for the recorder.

Next meeting will be July 9th @ 6pm due to the holiday on the 4<sup>th</sup>. Motion made and passed.

Rita motioned to adjourn the meeting and Jimmie 2nded, all ayes, no opposed/motion passed.
