

Oldies But Goodies

The Levy Center October, November, & December 2020

A WORD FROM THE SUPERVISOR...Felix George

Hello Seniors,

Hope everyone enjoyed their summer. I've been incredibly busy these months, but it has certainly been a hot one this year! I welcome the Fall weather, but I can't say I'm a big fan of the Winter months either.

I hope that you all have been safe during these trying times. It has been an eventful year to say the least.

I am happy to say that we are slowly getting back to business as usual. Unfortunately, we must control the numbers. But we can safely host 50 people at a time and have opened our small group activities up for you to enjoy. Please see what activities are available to you inside this booklet.

Also, we are ALWAYS accepting phone calls and appointments for those of you in need of a discounted license sticker or help with your Medicare, housing, food...anything. We are here "Working for You."

We have placed a sanitation station at the entrance and your temperature will be taken at the front desk. We ask that you wear a mask and remember to keep socially distanced.

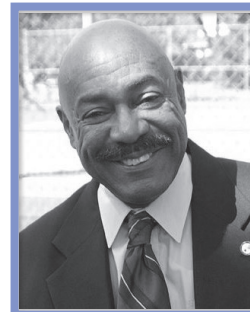

So, enjoy the remaining days of Fall. Pretty soon we will be talking about Christmas, so let's enjoy what nature has to offer over the next several weeks.

In the meantime, let's take time over the next couple of months to reflect upon our blessings as we go into the holiday season. I wish you all a very Happy Thanksgiving!

Sincerely,

Felix George
