

Oldies But Goodies

The Levy Center March & April 2021

A WORD FROM THE SUPERVISOR...Felix George

Dear Friends,

I am excited to report to you that we are slowly opening back up to the public with limited compacity. While 2020 was a challenging year at the DuPage Township, due to this terrible COVID-19 pandemic, I am hopeful that 2021 will be a much better year for all of you. Despite the pandemic, we have continued to deliver services to the residents of the township. Services such as The Food Pantry, Property Assessments, Emergency Assistance for rent and utilities grants for residents' experiencing insecurities in those areas. Also, marriage licenses and social services referrals with other Will County agencies.

Ever since I took the position as your Supervisor here at the Township, we have expanded programs that are beneficial to all, and we will continue to bring new programs and experiences from your suggestions. I have implemented numerous policies and procedures to help the township administration to become much more transparent.

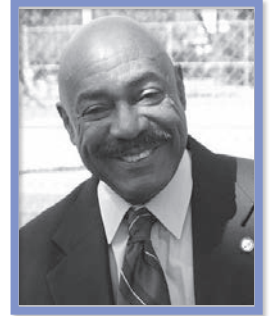

I appreciate your support as Township Supervisor to keep the Township Complex a vibrant place to come do business and enjoy.

As we all anxiously await Spring to arrive, I hope you all continue to follow CDC Guidelines and stay safe.

See details inside for upcoming services and activities!

Sincerely,

Felix George
DuPage Township Supervisor
