 - a. Tools for Schools is scheduled for August 12, 2021, from 10:00 AM - 3:00 PM. It will be a drive-up event again this year. Flyers were sent out and posted on social media. There is also a flyer in Spanish. Eight stations will be set-up and we are looking for volunteers. The seniors will be assisting with stuffing the bags prior to the event. We have kits and book bags left over from last year however, an order was placed for additional supplies and book bags. The Fountaindale library will be dropping off information to go in the bags. We will be distributing supplies to

Tibbot Elementary. Jodie suggested that we have them available for the Kindergarten Bridge walk thru, this would be a good time since parents and students would be there. Jodie also suggested that we look at the Institute Days on 8/16, 8/17 and 18th for distribution.

7. Public Comments - Clerk Parker asked about past programs and Shantina and Jodie shared some information on the STARS program.
8. Member Comments - The STARS program is good however, there didn't seem to be any follow-up after the convention. We need opportunities to build relationships with the students from junior high to high school. It was suggested to contact Kimberly Owens and Linda Youngs for more information. Shantina volunteered to contact Gino. We will continue to brainstorm for new ideas to connect the schools to the community.
